INVITATION
It gives us immense pleasure to cordially invite you to the Virtual International Conference on ‘Emerging Trends in Online Learning and Global Challenges in Higher Education Framework post COVID–19 ’ organized by Department of Computer Science, Career College, Bhopal on 17th – 18th June 2020.

HOST OF THE CONFERENCE
Career College, Bhopal was established in the year 1970 by Career Society, Bhopal which has completed its 50 glorious years of academic excellence. The College is affiliated to Barkatullah University, Bhopal and accredited A+ Grade in its third cycle with 3.28 CGPA by National Assessment and Accreditation Council (NAAC) which till date is the highest grade among affiliated colleges of Madhya Pradesh, in the revised accreditation system. Shri. Vishnu Rajoria, Founder Chairman of Career College is an active social worker with a firm belief in social values and principles of equity, justice, honesty and uprightness. His hard work has made commendable contributions in the field of education.

ABOUT BHOPAL
Bhopal is the capital of Madhya Pradesh. It is one of the greenest city of India, famous for its picturesque beauty, lakes and historical milieu. It is well connected by road, railways and air with various parts of the country. Famous world heritage sites such as Sanchi, Bhimbetka and Bhojpur are located within 50 kms from Bhopal.

OBJECTIVE
The world today is at a crossroad where several global challenges must be urgently addressed in order to build a more sustainable future. This Sustainable Development Goal seeks to ensure access to quality education and promote lifelong learning opportunities for all, providing citizens with the skills required for individual and collective well-being in a world of uncertainty and rapid change.

THEME
The conference engages academicians, researchers, and industry leaders to address current global challenges and advances in Higher Education. The theme is ADDRESSING GLOBAL CHALLENGES AND PROVIDING QUALITY EDUCATION.
TECHNICAL SESSION - I
Quality in Teaching and Learning

- Massive Open Online Courses (MOOC)
- Smart Learning Environments (SLEs)
- Open educational resources (OER)
- Learning Networks
- Teacher Networks
- Learning environment
- Business models
- Teaching and learning in rural and isolated areas
- Promoting learning and employability within communities
- Psycho-pedagogical support for users

TECHNICAL SESSION - II
Pedagogical Foundation

- Problem-based learning
- Project-based learning
- Collaborative knowledge building
- Game-based and simulation-based learning
- Technology-enhanced collaborative learning
- Teaching techniques and strategies for digital learning
- Learner motivation and engagement
- Competency-based education and training
- Knowledge, skills, attitudes and values

TECHNICAL SESSION - III
Technological Foundation

- Mobile, wearable and pervasive technology
- Remote and virtual labs
- Interactive systems
- Visualisation techniques and dashboards
- Learning analytics
- Artificial intelligence
- Natural language processing and latent semantic analysis
- Social computing and social media
CRITERIA FOR ABSTRACT SUBMISSION
Abstracts (not exceeding 200 words) for presentation (e-presentation/e-poster) are requested to reach us at cs2021@careercollegeindia.com upto 11th June, 2020 in Microsoft Word, Times New Roman, 12 font size, heading 14 font size, bold, single spaced format. The name(s) of the author(s), affiliation(s), complete mailing address(es), telephone/mobile number(s) and email address(es), title of the paper and up to four key words that describe the paper should be clearly indicated. The corresponding author should be marked with an asterisk (*). The abstracts will be published in conference proceeding.

INSTRUCTIONS FOR E-PRESENTATION
The presentation should be submitted one day prior to the due date of the presentation. Presentations should be in Microsoft Power Point™ format. Total 10 minutes time slot will be allotted for each e-presentation, including questions. While preparing the presentation, make sure that the slides are readable.

INSTRUCTIONS FOR E-POSTER PRESENTATION
The e-poster is an electronic version of a poster presentation. The e-poster may include texts, figures, charts, tables, images and artworks but does not include any audio, videos, web links or animations. All presenters must prepare one slide outlining key findings and conclusions. The e-poster must be in the PPTX, PDF/XPS format and orientation must be landscape. e-poster will be displayed on a live screen. The presenting participant must be present/join and prepared to speak and answer any questions during his/her allocated session time. Each participant is allocated 3 minutes presentation time. e-poster should be clear, well-organised, informative and concise and should include all the necessary information (title, methods, research etc.).
