About the organizing Institutions:

**Odessa State Agrarian University, Europe** is an educational institution of the IV level of accreditation, subordinated to the Ministry of Education and Science of Ukraine, Europe established on the basis of the Odessa Agricultural Institute, which was founded in the beginning of 1918. Beginning in 1918, training for agriculture at three departments – crop, social agronomy and animal husbandry, in the late 30’s already had agronomic, viticultural, zootechnical, veterinary and land management faculties, which maintained close business relations with many agricultural enterprises, many agricultural enterprises and research institutions of our state.

**The National Academy of Agrarian Sciences of Ukraine**, started its activity as Ukrainian Academy of Agricultural Science on 22 May 1931 (from December 1990 – Ukrainian Academy of Agricultural Sciences). The current status is valid from 6 January 2010 under the Decree of the President of Ukraine № 8/2010 «On granting the Ukrainian Academy of Agrarian Sciences national status». The Academy is state scientific organization based on state ownership and uses the rights of self-government body that resides in collegial governance and its selectivity, self-determination of its structure and themes of research, solution of scientific, organizational and personnel issues, economic activities and implementation of international scientific communication grounding on the laws of Ukraine.

**The National Research Center "Institute of Agrarian Economics" (NSC "IAE")** was established in 1956 under the name of the Ukrainian Research Institute of Economics and Organization of Agriculture. Initially, the newly established institution was entrusted with the functions of a research center for the development of the most pressing problems of the agricultural economy and the implementation of research results in agricultural production of the Ukrainian Soviet Socialist Republic. At the same time, the institute was to provide methodological assistance to agricultural economists from various agricultural research institutions and universities in conducting research in the field of economics and organization of agriculture, as well as in training scientific personnel. Today, the National Research Center "Institute of Agrarian Economics" is a leading institution in agricultural policy. Scientists of the institute take an active part in the formation and implementation of agricultural policy in the state, legislative work in the commissions of the Verkhovna Rada of Ukraine, preparation of Presidential Decrees and Government resolutions. In the last five years alone, more than 50 bills and decrees of the President of Ukraine, more than 20 resolutions of the Cabinet of Ministers, and orders of ministries and departments have been developed with the participation of scientists.

‘Research Culture Society’ is a Government Registered Scientific Research organization. Society is working for research community at National and International level to impart quality and non-profitable services. Society has successfully organized 100+ conferences, seminars, symposiums and other educational programmes at national and international level in association with different educational institutions.

**Objective of the International Conference:** International Conference on Agricultural Economics and Development aims to bring together leading academic scientists, researchers and research scholars to exchange and share their experiences and research results on all aspects of Agricultural Economics, Business and Development. It also provides a premier interdisciplinary platform for researchers, practitioners and educators to present and discuss the most recent innovations, trends, and concerns as well as practical challenges encountered and solutions adopted in the fields of Agricultural Economy and Development.
