About the Course :

English is an official language of India. Though our country has many languages of its own, it still harbours a place for English. In this Digital Era, it is mandatory for every graduate to have good communication skills in English for their prosperity. The graduates of any discipline need to be excelled in their communication skills to get job opportunity and excel in their field.

The course “The Crux of Matter: Communicative and Functional English” is designed for the Undergraduate students who need to enhance and enrich their language proficiency in English.

Objectives :

- To improve grammatical knowledge and make meaningful sentences
- To improve the basic skills - listening, speaking, reading and writing
- To communicate effectively in the context of day to day life and at the work place.
