About the FDP :

The aim of **Faculty Development Programme on Outcome Based Education : The Future of Teaching & Learning** in Higher Education Institutions is to provide in-depth knowledge of the issues and challenges in effective implementation of NEP in education system. It will also focus on research and innovation in NEP, transforming teaching pedagogy, leadership and excellence. New avenues and role of faculty in effective implementation of FDP, innovation assessment, evaluation trends and new paradigm in quality education and learning.

The purpose of this FDP is to provide an opportunity for distinguished scholars/researchers/academicians to share their experiences and perspective relating to newer methods and techniques used in teaching and research with the help of upcoming technologies. The focus of FDP shall also be the deliberation on the impact of these technologies on academia while identifying the gaps and suggesting future reforms therein.

Objectives of the FDP :

- To discuss reforms in the education system, design assessment and evaluation as per New Education Policy.
- To provide insights on Restructuring Curriculum Framework for Higher Education in NEP.
- To provide an insights into the National Education Policy's Outcomes and Improvements in Teaching – Learning.
- To impart knowledge about the changes and transformations to be brought about in the country's educational framework.
- To make the faculty understand the nuances of the policy in letter and spirit and the ways to effective implementation of the policy in every domain of the educational sector.

About the Organising Institutions :

Jharkhand Rai University (JRU) is one of the esteemed University in the state of Jharkhand established under Jharkhand Act 03 of 2012 by Jharkhand State Legislature. Since its establishment in 2012, JRU has gained a prominent reputation for its outstanding achievements in academics, research and innovation. The spirit of innovation, modernization and student centric teaching – learning approach blended with strong Mentorship Program is the corner – stone of academics at Jharkhand Rai University. The focus on building skills, value system and character are the integral part of Jharkhand Rai University academic system. The University focus on holistic education ecosystem, where the goal is not to make students just work-ready but also good human beings. The University offers Diplomas, Undergraduate Degrees, Postgraduate Degrees and Doctoral programs in different disciplines.“

Research Culture Society (RCS) is a Registered International Scientific Research Institute. Registered with several United or Government bodies. It is also an independent, autonomous, professional, non-profit international level organization.

Educational institutions, colleges, universities, schools, industries, companies and firms are welcome for Memorandum of Understanding (MoU / MoA / MoC collaboration – free to sign without any charge) for Academic Exchange, Knowledge Partner, Community Development programs and events with us. We are organizing, promoting educational events and professional events as well as publishing research work. We also invite sponsorship from the industries, corporates, institutions and government bodies.

Supported by : International Scientific Research Association and International SDG.
