**Date & Timing:**  
**21 to 27 February, 2022**  
**3:00 pm to 5:00 pm (IST)**  
**(One Week)**

#### About the FDP :

Teaching and learning activities have undergone a sea change in recent years. Technological development and rapidly changing industry requirements are demanding innovative and outcome-based methods of classroom delivery. Effective outcome-based teaching is an amalgamation of techniques, skills, judgment, and technology. The 5-day faculty development program on “Innovative Approaches Towards Outcome Based Teaching Learning in Higher Education” has been conceived to broaden the understanding and practice of advanced and innovative methods of teaching-learning in higher education focusing on the overall outcome. The FDP will address the themes including Innovative Teaching-Learning Methods for Outcome-Based Education, Research and Case-Based Learning, Artificial Intelligence-Based Education, Outcome Based Assessments in Higher Education, and Value-Based Education and Soft Skills for Greater Impact in Teaching Learning.

#### Who should attend ? :

The faculty development program is open for all. Faculty members, Researchers, Industry and Academic Trainers, and Education Enthusiasts who are interested in gaining a deeper understanding of innovative contemporary teaching methods and wish to attain a hands-on learning experience, are invited to attend the event.  
(Colleges, Institutions, Universities, Coaching Centers)
