### **About the Training Programme:**

The aim of Faculty Development Programme on Transforming Education for Sustainable Development: A Roadmap for Implementing NEP 2020 and SDGs in Higher Education Institutions is to provide in-depth knowledge of the issues and challenges in effective implementation of NEP in education system. It will also focus on research and innovation in NEP, transforming teaching pedagogy, leadership and excellence. New avenues and role of faculty in effective implementation of FDP, innovation assessment, evaluation trends and new paradigm in quality education and learning.

The purpose of this FDP is to provide an opportunity for distinguished scholars/researchers/academicians to share their experiences and perspective relating to newer methods and techniques used in teaching and research with the help of upcoming technologies. The focus of FDP shall also be the deliberation on the impact of these technologies on academia while identifying the gaps and suggesting future reforms therein.

### **Objectives of the FDP :**

- To provide an insights into the National Education Policy 2020.
- To impart knowledge about the changes and transformations to be brought about in the country's educational framework.
- To make the faculty understand the nuances of the policy in letter and spirit and the ways to effective implementation of the policy in every domain of the educational sector.
- To discuss reforms in the education system through New Education Policy.
- To provide insights on Restructuring Curriculum Framework for Higher Education in NEP 2020.
