About the organizing Institutions:

‘Research Culture Society’ is a Government Registered Scientific Research organization. Society is working for research community at National and International level to impart quality and non-profitable services. Society has successfully organized 100+ conferences, seminars, symposiums and other educational programmes at national and international level in association with different educational institutions.

**The Warsaw University of Life Sciences** is one of the largest and the most prestigious universities in Poland. It educates nearly 18,000 students in 38 study programs (including 8 taught in English) - from veterinary medicine and landscape architecture, through economics and computer science, to tourism and dietetics. It employs 1,200 academic teachers and offers a modern campus and excellent learning conditions. The campus is located in the southernmost district of Warsaw, Ursynów. The campus has a historical part, with an 18th-century palace and a new part where most of the faculty buildings and dormitories are situated. The Management Institute was established in 2019. The research developed in this Institute is related to management, trust, knowledge management, and information technology.

**Objective of the International Conference:** Our main objective is to observe the current scenario towards the advancement of common citizens life by improving the theory and practice of various disciplines of Business, Management and Economy. The aim of the conference is to provide a interaction stage for researchers, practitioners from academia and industries to deal with state-of-the-art advancement in their respective fields.
