About the organizing Institutions:

Management Institute was established in 2019. The Institute, in its assumptions, conducts research, as well as disseminates knowledge in the field of management science and quality, and in particular: knowledge management, digital management, or social corporate responsibility (CSR). The Institute attaches great importance to cooperation with domestic and, in particular, foreign universities and other research entities. The Institute takes care of the high level of knowledge, skills and competences of its staff.

The Warsaw University of Life Sciences is the oldest agricultural university in Poland and the fourth of this type in Europe. Its origins date back to 1816 and are related to the establishment of the Agronomic Institute in Marymont. The advocates of its foundation were Stanisław Staszic and Stanisław Potocki, and its first director was Jerzy Benjamin Flatt, one of the best experts in economic relations in the Kingdom of Poland.

International Scientific Research Association is registered and an esteemed research association working on to provide scientific research services, educational studies and activities at international level, also coordinate with other research organizations for the educational research events. Scientific Research Association as honorary partner of the 'Research Culture Society' with MoU – collaboration.

'Research Culture Society' (RCS) is a Government Registered **International Scientific Research organization**. Registered with several United or Government bodies. It is also an independent, professional, non-profit international level organization. RCS-ISRO shall also initiate and setting up new educational and research programs with other international organizations. Society has successfully organized 125+ conferences, seminars, symposiums and other educational programmes at national and international level in association with different educational institutions.

Supported by: Institut für Dienstleistung, Germany.

Objective of the International Conference: The main objective of the scientific conference is to discussing issues, exchanging of ideas and views towards the advancement of theory and practices and to create space for presentation of current results of scientific work in the field of Social Sciences, Commerce and Business Management. Our main Aim is to organize lectures by scientists and experts and to disseminate their ideas and concepts among the Social Sciences, Commerce, Business Management and Another aim of the conference is to provide a interaction stage for researchers and practitioners from academia and industries to deal with advancement in their respective fields.
