About the organizing Institutions:

RBMI Group of Institution, Greater Noida (Affiliated to CCS University) Greater Noida, India

At RBMI, we empower young minds to shape the future. Committed to global leadership in education, we maintain high academic standards, foster industry connections, and drive research. With campuses in Bareilly and Greater Noida, we offer diverse undergraduate and postgraduate courses. Recognized as the "Best Management College in Delhi NCR," we excel in placements and strive for excellence. Evolving courses to match industry trends, holding top-ranking status in North India per AIMA rankings (2006-2008), affiliating with prestigious universities, focusing on holistic development, providing rigorous industry training, offering seamless digitised student experiences, and implementing smart classes, RBMI is not just an institution, but a transformative journey toward academic & professional brilliance. -- **Management Institute was established in 2019.** The Institute, in its assumptions, conducts research, as well as disseminates knowledge in the field of management science and quality, and in particular: knowledge management, digital management, or social corporate responsibility (CSR). The Institute attaches great importance to cooperation with domestic and, in particular, foreign universities and other research entities. The Institute takes care of the high level of knowledge, skills and competences of its staff.

The Warsaw University of Life Sciences is the oldest agricultural university in Poland and the fourth of this type in Europe. Its origins date back to 1816 and are related to the establishment of the Agronomic Institute in Marymont. The advocates of its foundation were Stanisław Staszic and Stanisław Potocki, and its first director was Jerzy Benjamin Flatt, one of the best experts in economic relations in the Kingdom of Poland.

Asian Research Foundation (ARF) is a globally-oriented, non-profit organization dedicated to advancing scientific knowledge, innovation, and interdisciplinary collaboration across borders. Founded on the principles of excellence, integrity, and inclusivity, the ARF serves as a platform for researchers, institutions, and policymakers to collaborate on solutions to the world's most pressing challenges.

'Research Culture Society' is a Government Registered Scientific Research organization. Society is working for research community at National and International level to impart quality and non-profitable services. 'Research Culture Society' conducts conferences, seminars, symposiums, workshops, training and development programmes on different themes. Society has successfully organized 160+ educational programmes at national and international level in association with different reputed institutions. --

Objective of the International Conference:

The main objective of the scientific conference is to discussing issues, exchanging of ideas and views towards the advancement of theory and practices and to create space for presentation of current results of scientific work in the field of Social Sciences, Commerce and Business Management. Our main Aim is to organize lectures by scientists and experts and to disseminate their ideas and concepts among the Social Sciences, Commerce, Business Management and Another aim of the conference is to provide an interaction stage for researchers and practitioners from academia and industries to deal with advancement in their respective fields.
