About the organizing Institutions:

'Research Culture Society' is a Government Registered Scientific Research organization. Society is working for research community at National and International level to impart quality and non-profitable services. 'Research Culture Society' conducts conferences, seminars, symposiums, workshops, training and development programmes on different themes. Society has successfully organized 125+ educational programmes at national and international level in association with different reputed institutions.

The Department of Media Studies an integral part of JAIN (Deemed-to-be University), offers an entrée into the ever-evolving world of global media and a dream university experience that merges the best of both worlds-academics and media. We offer UG and PG Programs. Here, students learn to understand, interpret and resolve issues that drive and change the media world. In syllabi and in real-time training, students address local and global challenges in media and business and are empowered to become next generation leaders in media. They also leverage our potential in networking professional relationships with industry and enjoy the benefits of our international footprint across nations and media related problems. It helps to create media professionals with contemporary skills, no matter what dreams they choose to pursue.
