About the organizing Institutions:

Asian Research Foundation (ARF) is a globally-oriented organization dedicated to advancing scientific knowledge, innovation, and interdisciplinary collaboration across borders. Founded on the principles of excellence, integrity, and inclusivity, the ARF serves as a platform for researchers, institutions, and policymakers to collaborate on solutions to the world's most pressing challenges.

Matoshri College of Engineering & Research Centre (MCERC), Eklahare, Nashik, established in 2008 under the Matoshri Education Society, is committed to providing quality technical education and fostering academic excellence. The institute offers 8 Undergraduate (E&TC, Electrical, Computer, Mechanical, Information Technology, Civil, Artificial Intelligence and Data Science, Electronics and Computer Engineering), 5 Postgraduate (Data Science, Heat Power Engineering, VLSI & Embedded System Design, Electrical Power Systems, Geotechnical Engineering), and 5 Ph.D. programmes (Computer, Electronics and Telecommunication, Civil, Mechanical and Electrical), all approved by AICTE and **affiliated with Savitribai Phule Pune University, Pune**. **MCERC is recognized under Sections 2(f) and 12(B) of the UGC Act, is NBA & NAAC Accredited**, and has been granted Autonomous Status from the academic year 2024–25. The institute provides state-of-the-art infrastructure, well-equipped laboratories, digital learning resources, and a student-centric learning environment. Through scholarships, skill development initiatives, research, innovation, NSS, and NCC activities, MCERC promotes the holistic development of students while nurturing competent professionals, ethical leaders, and socially responsible citizens.

'Research Culture Society' (RCS) is a Government Registered **International Scientific Research organization**. Registered with several United or Government bodies. It is also an independent, professional, non-profit international level organization. RCS-ISRI shall also initiate and setting up new educational and research programs with other international organizations. Society has successfully organized 250+ research events as conferences, seminars, symposiums and other educational programmes at national and international level in association with different educational institutions.

Tentative Venu : Kuala Lumpur, Malaysia.

Any interested Institute / College/ University/ Company can Join as a Co-Organizer or supporter or co-sponsor.

Objective of the International Conference is to bring together innovative academics, researchers and industrial experts in scientific, multidisciplinary innovation studies onto a common platform for presentation. The main objective of the scientific conference is to exchange ideas, discuss issues and views toward advancing theory and practices and create space for presenting current research and scientific work in the fields of Applied Sciences, Life Sciences, Health Care Sciences, Engineering, Technology, Business Management, Trade, Economy, Commerce, Social Sciences, Literature, ELT, Education and Innovations. Conferences such as this provide a valuable opportunity for researchers, academicians and students to share experiences. The conference will be held at regular intervals to provide an ideal stage for people to share views according to the conference themes and scope.
