About the STTP : This Short Term Training Programme on “Developing Personal Improvement through Soft Skills” created as a special events (Part - 1 in April, 2022 & Part - 2 in May, 2022) for enhancement of skill development in students and other learners. Soft Skills are personal attributes, personality traits, inherent social cues, and communication abilities needed for success. Soft Skills include adaptability, attitude, communication, creative thinking, work ethic, teamwork, decision making, positivity, time management, motivation, flexibility, problem-solving, critical thinking and conflict resolution. Soft skills training can mean the difference between: Assertive action vs aggressive action. Soft Skills (a vital portion of an individual’s personality) is an intangible idea in which the qualities like attitude, ability, integrity, reliability, positivity, flexibility, dependability, punctuality, management, cooperation, habits and practices are combined proficiently to capitalize on a person’s work efficacy. Soft Skills do the work of combining all these components in accurate share into skills and shaping them into competencies.
